

Wayne C. Bryan, PE

Principal

40 Years with Ehlert Bryan | 42 Years of Experience

EXPERIENCE

Mr. Bryan co-founded Ehlert Bryan in 1981 with the mission to provide exceptional structural engineering services. He has extensive experience designing commercial, institutional and residential structures, as well as office buildings, parking garages, adaptive reuse, churches, hospitality, municipal, government, retail, renovation, and the alteration of existing buildings. His geotechnical education and general experience in mechanical and electrical systems also make him well-suited to existing building evaluation work.
